General Exam Content Outline for Salespersons and Brokers

Effective: June 01, 2020

The general portion of the real estate exam is made up of eighty (80) scored items, which are distributed as noted in the following content outline. The general examination also contains five (5) pretest items that are not counted toward the score. These items are used to gather statistics on performance and to help assess appropriateness for use on future examinations. Because pretest items look exactly like items that are scored, candidates should answer all the items on the examination.
